### Taxpayer Information Summary (TIS)

Annual Information Statement (AIS) is a statement that provides complete information about a taxpayer for a particular financial year. Taxpayer Information Summary (TIS) is a category-wise taxpayer summary of such information.

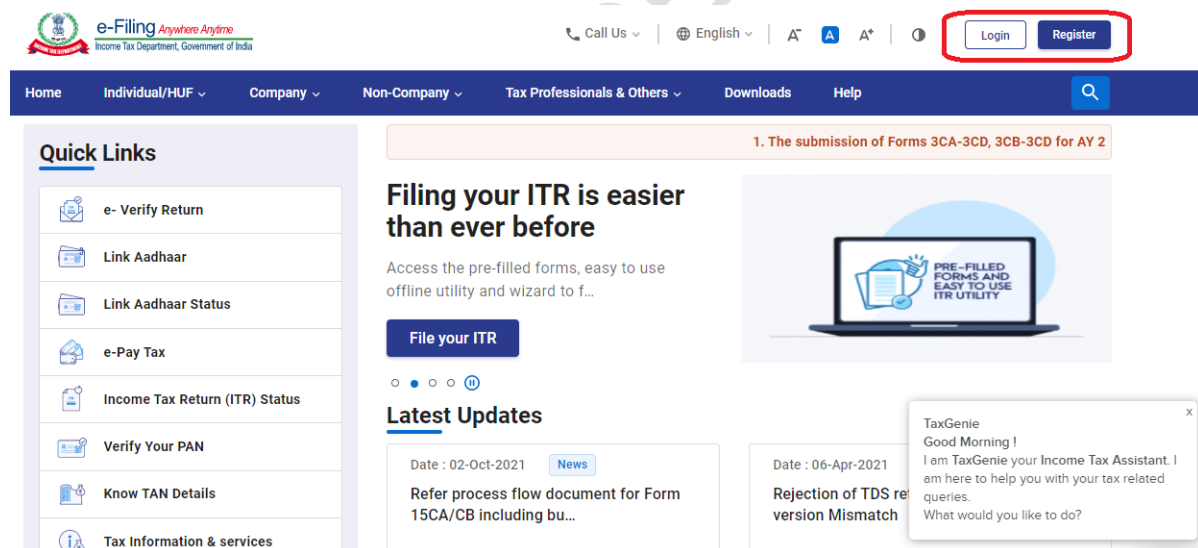

AIS-TIS contains information about taxpayers' incomes, financial transactions, tax details, income-tax proceedings, etc.

An assessee can access AIS/TIS information by logging into his income-tax e-filing account or through the mobile app "AIS for Taxpayer". If he feels that the information furnished in AIS is incorrect, duplicated, or relates to any other person, etc., he can submit his feedback thereon.

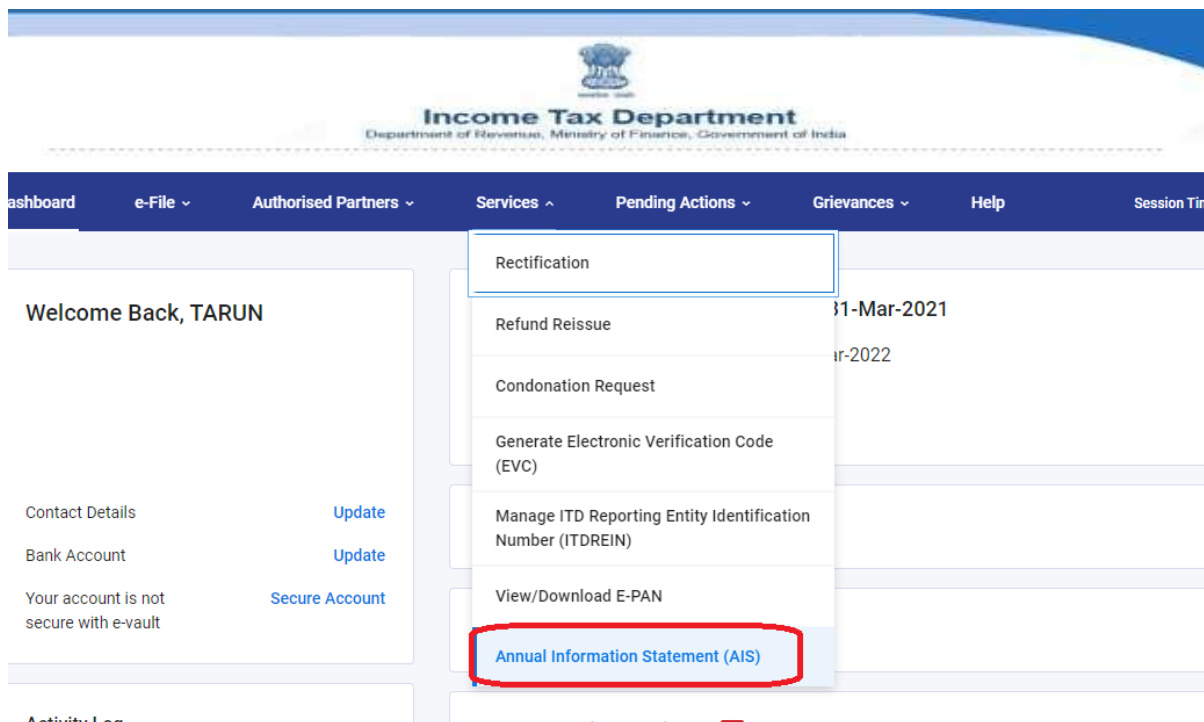

#### Steps to access TIS information online

**Step 1:** Log in to the Income-tax e-filing website at <https://www.incometax.gov.in/>

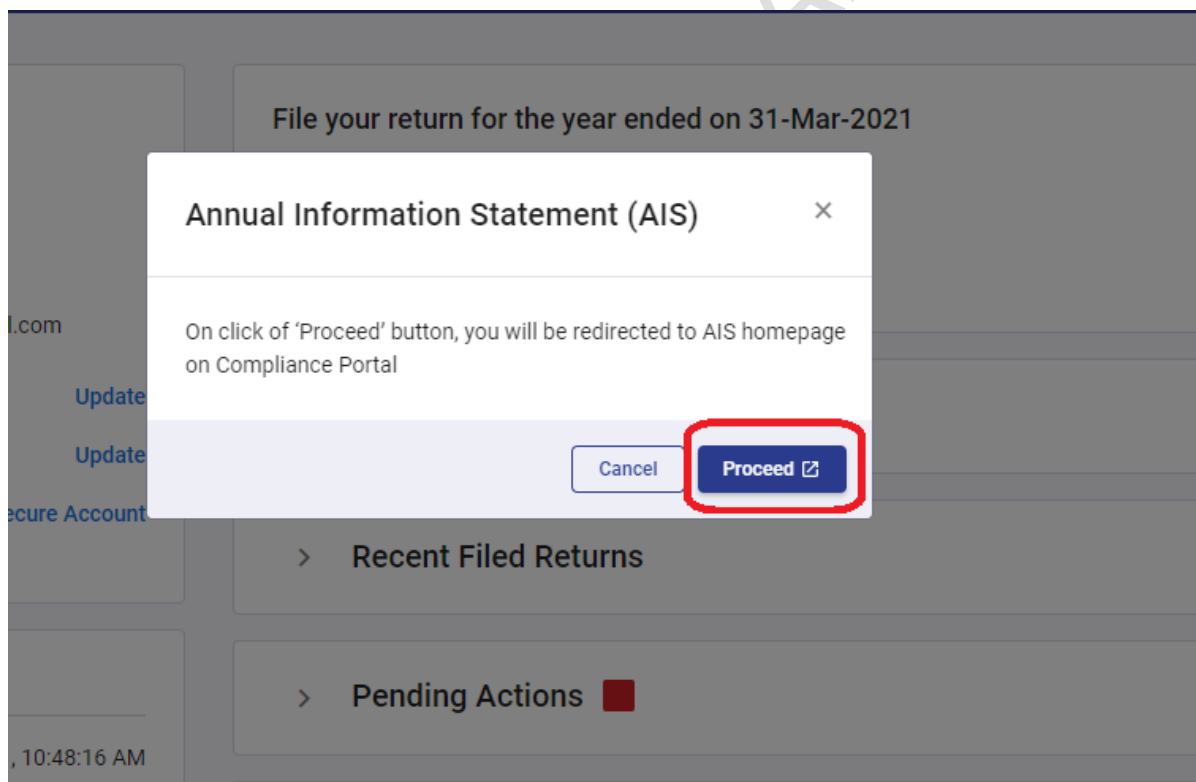

If you are a new user, you will be required to first register on the e-filing portal.

**Step 2:** After login, click on *Services > Annual Information Statement (AIS)*

**Step 3:** A message shall appear that will prompt you to click on 'proceed' to redirect to the AIS homepage.

**Step 4:** The next screen provides key instructions relating to Annual Information Statement (AIS) and Taxpayer Information Summary (TIS). TIS displays the information available in AIS category-wise. It shows the original value as well as the revised value (i.e., the value processed after the taxpayer's feedback). The revised values in TIS are used for prefilling of return.

## AIS Instructions

Instructions for functionalities related to Annual Information Statement (AIS)

**Disclaimer**

Annual Information Statement (AIS) includes information presently available with Income Tax Department. There may be other transactions relating to the taxpayer which are not presently displayed in Annual Information Statement (AIS). Taxpayer is expected to check all related information and report complete and accurate information in the Income Tax Return.

**Annual Information Statement (AIS)** is comprehensive view of information for a taxpayer displayed in Form 26AS. Taxpayer can provide feedback on information displayed in AIS. AIS shows both reported value and modified value (i.e. value after considering taxpayer feedback) under each section (i.e. TDS, SFT, Other information). The functionalities under AIS Tab are:

- View Annual Information Statement
- Submit Feedback on AIS
- Upload AIS feedback packet generated from AIS utility
- Download Annual Information Statement (PDF/ JSON)
- Download Specific Information Details (CSV)
- Download AIS Consolidated Feedback (PDF)
- Download AIS Feedback Acknowledgement (PDF)
- Download AIS Feedback Tracker (PDF)

**Taxpayer Information Summary (TIS)** is an information category wise aggregated information summary for a taxpayer. It shows processed value (i.e. value generated after deduplication of information based on pre-defined rules) and derived value (i.e. value derived after considering the taxpayer feedback and processed value) under each information category (e.g. Salaries, Interest, Dividend etc.). The

**Step 5:** Click on the next tab of 'AIS'. On the redirected screen, two tiles shall appear - Taxpayer Information Summary (TIS) and Annual Information Statement (AIS). Select the relevant financial year from the drop-down and click on the TIS tile to view the information.
